NUTRITIONAL WELLNESS SUMMIT BINGO

HOW IT WORKS

Throughout the summit, use your BINGO card to keep track of how you are interacting and engaging during the event.

Each day of the summit, we'll post in the Facebook group with that day's prize options and invite you to post a picture or screenshot of your BINGO card to win. We'll randomly choose one person to win each day's BINGO prize. You can only submit each Bingo card once during the Summit

You will have 2 bingo cards to use throughout the Summit, one for each week of the Summit.

Card One will be valid until Midnight June 17th and Card Two will be valid until Midnight June 24th.

Note: You can only submit each Bingo Card ONCE on its week and throughout the summit (regardless of how many "bingos" you get) so be sure to check out the prizes first.

WHAT IS A "GOOD" BINGO?

Get 5 in column up/down, in a row or diagonally. If you mark off on a square that you've followed or left a review you must also include your username so we can verify your information.
